

PIPE MANUFACTURER

P R E S S U R E / N O N - P R E S S U R E P I P E S

AVIENT SOLUTION

ColorMatrix™ Liquid Colorant + Dosing Equipment

WHY AVIENT?

- Provided a customer-centric approach focused on gaining operational efficiencies to support an improved manufacturing environment
- Offered formulation expertise and problem-solving experience to upgrade pipe performance
- Attained finely dispersed TiO₂ and color distribution throughout the pipe, meeting quality requirements while reducing scrap rates
- Delivered solutions with extensive NSF, UL and pipe industry approvals
- Supplied dosing equipment to eliminate capital costs, backed with on-call technical support

KEY REQUIREMENTS

- Provide a safe and compliant manufacturing environment for all team members
- Improve weatherability and outdoor exposure longevity in field and yard environments
- Increase color consistency and enhance pipe appearance
- Reduce scrap rates and eliminate order rejections
- Meet required compliance and regulatory approvals
- Incur no capital expense for dosing & handling equipment
